No. 1: Arbonne Cosmetics Makeup Primer, \$36

TotalBeauty.com average member rating: 9.9*

Why: A reader confides, "I am 55-years-old and have been wearing makeup since my early teens and [this] primer is hands down the best I have ever found! Believe me I have tried almost all of them." Another says, "Not sure how I ever lived without this in my makeup bag. My foundation goes on smoother, I wear less, and it looks better. It's candy for your face." And another says, "This product really does fill in those nooks and crannies on the face even with lots of freckles and sun damage," and one devoted consumer says, "I've been using Arbonne for over two years now and have yet to find a better makeup primer. Its silky texture makes putting on my

makeup a joy. LOVE IT."
