

## IS 30 DAYS TO HEALTHY LIVING FOR YOU?

Arbonne is a health and wellness company with more than four decades of history. Our brand philosophy embraces the connection between a healthier mind, stronger body, and beautiful skin. We are a Certified B Corporation™, which means we balance profit with people and the planet. We are committed to sustainability measures by decreasing waste and increasing recycling, while helping people to flourish by being good to themselves, their community, and the planet.

Arbonne products are plant-powered and always formulated with clean standards, following a strict ingredient policy that is always cruelty-free, vegan, and formulated gluten-free with non-GMO ingredients.

*“When I dreamt of Arbonne, I wanted it to be a place where people could flourish.”*

— PETER MØRCK, OUR FOUNDER

### IF YOU KEEP DOING WHAT YOU'RE DOING, HOW WILL YOU FEEL NEXT MONTH OR NEXT YEAR? WHAT IF YOU COULD...

- ▶ Identify how to use food as fuel for the body
- ▶ Optimize how you look and feel, inside and out
- ▶ Tune in to the messages that your body is sending
- ▶ Help support healthy gut function
- ▶ Eat and drink more intuitively, giving your body the nutrients it needs to function optimally

### ARBONNE 30 DAYS TO HEALTHY LIVING

- **RESET:** Establish healthy habits with clean eating, activity, and restful sleep that will become the foundation of a healthy and sustainable lifestyle
- **GUT FUNCTION:** So much of the body's overall wellbeing is controlled by our gut, so supporting this area will help optimize how we feel and look
- **SELF-CARE:** Focus on ways to allow your body time to rest and work to reduce feelings of stress
- **MINDSET:** A positive focus can impact your confidence because when you feel good physically and mentally, you look good too!
- **HEALTHY-LOOKING SKIN:** Healthy-looking skin starts from within and can be optimized with balanced nutrition, consistent hydration, and a more relaxed mindset

# MEAL PLANNING MADE SIMPLE

Science tells us that people who meal plan consume more fruits and vegetables, have better overall diet quality, and are more likely to consume a healthy variety of nutrients\*

## FILL YOUR PLATE WITH

### VEGETABLES

1/2 of your plate – choose non-starchy options like greens, broccoli, asparagus

### LEAN PROTEINS

1/4 of your plate – choose options like beans and lentils or non-vegan, lean protein choices such as wild fish, chicken, turkey, beef

### NUTRIENT-RICH CARBS

1/8 of your plate – choose options like brown rice, quinoa, sweet potatoes

### HEALTHY FATS

1/8 of your plate – choose options like seeds and nuts, nut butters or oils, olive oil, avocado

## 30 DAYS TO HEALTHY LIVING SET

**Join today! Ask your Independent Consultant to show you how to get started.  
Visit [earnings.arbonne.com](https://earnings.arbonne.com) to learn more about Independent Consultant Earning Averages.**

**NOTE:**

Remember, there are no guarantees on income, and the success or failure of each Arbonne Independent Consultant, like any business, depends on each Arbonne Independent Consultant's own skills and personal effort. You should not rely on the results of other Arbonne Independent Consultants to indicate what you should expect to earn.

If anyone is experiencing any health concerns, they should consult with their medical professional for guidance prior to using these products or this program. Arbonne cannot advise or recommend for individual circumstances; only a licensed healthcare provider can provide this guidance. If you are taking medication, pregnant, or nursing, ask your licensed healthcare provider before using dietary supplements. It is also advisable to continue to check in with your physician throughout the program to help them determine any adjustments that you might need to make as your program is progressing.
