HOW TO USE

For topical use:

- Dilute oil, using 1–2 drops for every 4 oz. of liquid

Add to a diffuser to:

- Invigorate the mind and senses

Apply 1–2 drops to:

- Bowl of hot water to breathe in deeply and inspire a sense of peace
- Massage oils, lotions, gels, body washes and shampoos to add an invigorating and energizing scent
- Bottoms of tired feet to soothe
- Shower for creating a spa-like relaxation experience
- Lip balms and body lotions to create a cooling sensation
- Massage onto head, scalp or a drop to temples to help clear the mind
