

# The RE9 Advanced<sup>®</sup> Revolution

3 years of **research** with **smarter** ingredients, for amazing **results**

gold standard ingredients  
enhanced textures  
superior performance  
sophisticated design

## The **Competitive** Advantage

Cleaner formulas featuring gold standard ingredients deliver even better results, with clinically tested performance.

### Gold Standard Ingredients

**Sustainable Orange Stem Cells**  
Help minimize the look of wrinkles, enhancing the look of elasticity and firmness.

**Powerful Peptides**  
Help improve the look of fine lines and wrinkles with clinically tested benefits.

**Alpha Hydroxy Acids**  
Help reveal even-looking skin through exfoliation.

**Sea Buckthorn Ceramide Complex**  
Proprietary complex rich in omega fatty acids from sea buckthorn oil and olive fruit oil; helps protect skin's moisture barrier.

**Cleaner for Better**  
RE9 Advanced products are now formulated without EDTA, PEGs, butylene glycol, orange oil, retinyl palmitate, polysorbate or urea.\*

\*Pertains to non-SPF products in RE9 Advanced.

**If you loved RE9 Advanced before, wait till you experience the remarkable difference.**
