

# RE9 Advanced® Product Usage Rate

Recommended use-up rate of each product on average is 60 days, based on morning and evening regimen use.

Recommended “how to use” is for efficacy and what the clinical results are based on. If a set is lasting longer than this time frame, the client is not using enough product or not using it consistently.

	<p><b>Smoothing Facial Cleanser</b></p>	<p>1 pump, 2x daily will last you 65 days</p>
	<p><b>Regenerating Toner</b></p>	<p>2–3 pumps, 2x daily will last you 75 days</p>
	<p><b>Intensive Renewal Serum</b></p>	<p>1 pump, 2x daily will last you 72 days  <b>NOTE:</b> Many clients will use more than 1 pump, especially when using with the Genius Ultra.</p>
	<p><b>Corrective Eye Cream</b></p>	<p>1 pump, 2x daily will last you 37 days</p>
	<p><b>Restorative Cream</b></p>	<p>2–3 pumps, 1x daily will last you 68 days</p>
	<p><b>Night Repair Cream</b></p>	<p>2 dime-size amounts, 1x daily will last you 60 days</p>
