

## MEET THE PRODUCT

# RESCUE & RENEW PURE ESSENTIAL OIL – TEA TREE

Experience true aromatic power with this earthy, medicinal scent. Promotes a cleaner and fresher scent in the air. #6822 

### FEATURES

- Powerful, herbaceous, medicinal aromatic profile
- Pure essential oil from tea tree leaf with a pure, earthy, herbaceous scent
- For topical or aromatic use, the oils can be applied to the skin once diluted, or diffused
- Diffuse to promote a cleaner, fresher scent in the air

### KEY INGREDIENTS & BENEFITS

- Aromatic essential oil from Tea Tree (*Melaleuca alternifolia*) Leaf Oil is known to create a sense of overall purity and freshness

### THE ARBONNE ADVANTAGE

Our 100% pure essential oils follow strict seed-to-source standards, from growth in the field to harvest. They are then quarantined, inspected and tested by independent labs to ensure the purity meets the highest industry-leading standards.

### INGREDIENT LIST

Melaleuca Alternifolia (Tea Tree) Leaf Oil, Limonene.

### COMPLEMENTARY PRODUCTS

Rescue & Renew

Pure Essential Oil Focus Blend, #6823

Pure Essential Oil Lemon, #6818

Pure Essential Oil Peppermint, #6820

### HOW TO USE

#### For topical use:

- Dilute oil, using 1–2 drops for every 4 oz. of carrier oil

#### Add to a diffuser to:

- Promote a cleaner, fresher scent by clearing stale odors from the air
- Help purify and mask the scent of odors

#### Apply 1–2 drops to:

- Masks, scrubs or other rinse-off skincare products to add natural fragrance
- Facial cleansers and toners to support brighter, cleaner-looking skin
- 20–40 drops of witch hazel to create a skin tonic
- Pure coconut or jojoba oil for added skin moisturizer benefits
- Shampoos and conditioners to refresh scalp and promote healthier-looking hair
- Foot bath for a relaxing scent and to reduce foot odor
- Laundry water, garbage cans or diaper pails to promote a fresher, clean scent
- Inside of shoes for a fresher scent
- Blend with other Arbonne single note essential oils to create a spa-like blend and atmosphere

*Arbonne essential oils are intended for topical and aromatic use only. Arbonne single note Tea Tree essential oil is GRAS, and therefore, safe if ingested. Regulations require any essential oil for ingesting must be labeled as such and Arbonne essential oils have not been evaluated for ingestion.*

**CAUTION:** Possible skin sensitivity. Not to be taken orally. If you are pregnant, nursing, taking medication, or have a medical condition, consult a health professional prior to use. Application to the skin may increase sensitivity to sunlight. Avoid contact with eyes and mucous membranes. If you experience nausea, dizziness, headache or an allergic reaction, discontinue use. Keep out of reach of children.
